Sompo Holdings Announces Newly Established Sompo Digital Lab in Israel (<http://www.sompo-intl.com/news/sompo-holdings-announces-newly-established-sompo-digital-lab-israel>)

Sompo International announced that it is building a “One-Stop Platform” to deliver integrated cyber-security services and has established a new Digital Lab in Israel to strengthen its offering. Working in collaboration with cyber security companies, they will evolve a full line of solutions from risk diagnosis through insurance payment to meet the specific cyber risks faced by their clients.
